Ronald  
McDonald  
House®  
Houston

---

Keeping families close®

SPAP is proud to announce The Ronald McDonald House of Houston as this year's 2019 SPAP CME Conference charity.

This charity strives to help support the great cause of offering a *home away from home* by providing care, compassion & hope to families with seriously ill children.

Let's help The Ronald McDonald House of Houston become an even stronger platform for those families and children in need.

SPAP will be accepting monetary donations and/or collecting children's books at this year's conference.

Please find it in your heart to donate!
